In the unlikely event that euthanasia becomes a possibility due to behavioral or health problems that cannot be treated, would you like to be contacted to have the animal returned to you?

YES \_\_\_ NO \_\_\_

I hereby relinquish any and all interest and rights of ownership of this animal described above in favor of the La Plata County Humane Society. I understand that adoption of the animal may not be possible and that euthanasia may become necessary. I certify that to the best of my knowledge the animal has not bitten anyone in the past 10 (ten) days.

**Feline Owner Surrender Questionnaire**

---

Please answer the following questions as completely as possible.

1) Why are you turning this cat over to the shelter?

2) Has this cat ever been seen by a veterinarian?

If so when?

Which one?

Is your cat current on vaccinations and if so are you able to provide medical records? (This information allows us to put the cat up for adoption faster)

3) How did you acquire this cat? (Please be aware that if you adopted this cat from a rescue or shelter they may require that you return the cat to them.)

4) How long has this cat been in your home?

**TEMPERAMENT OF THE CAT**

1) Describe your cat's basic personality.

2) Does your cat ever bite or scratch people?

If so, under what circumstances?

3) Does your cat growl or hiss at things?

4) How does your cat react when being groomed?

5) What types of animals has your cat lived with?

How is your cat with dogs?

How is your cat with other cats?

6) Are there animals your cat *does not* get along with?

7) How is your cat with children?

What ages of children has your cat lived with or been around?

8) Has your cat ever bitten and/ broken the skin?

If yes, please explain what happened and when the bite occurred:

9) Is your cat nervous around certain people? (ie men, children, people in uniforms or hats.)

If yes, please explain.

### **Behavior of the cat**

1) Is your cat an inside or outside cat?

If both, which does your cat prefer?

2) Does your cat spray?

3) Is your cat litterbox trained?

Does it have accidents? If so, under what circumstances?

4) Is your cat declawed?

If yes, front, back or both?

5) What are your cat's favorite objects to scratch on?

6) Do you allow your cat on the countertops?

7) Does your cat meow/ vocalize a lot?

If yes, when?

8) How many hours each day does someone interact with your cat?

9) What behaviors do you find troublesome and are in need of work?

10) What are your cat's favorite toys?

11) What time of day is your cat most active?

12) Is your cat a mouser?

A birder?

### **MEDICAL HISTORY**

1) Has your cat ever had surgery?

2) Is your cat on any medications that the new owner will need to be aware of?

3) Does your cat have any medical conditions? (ie. hip or joint problems, thyroid, cancer etc.)

4) Do you have your cat on a special diet?

If so what food?

5) How often do you provide food for your cat?

6) Does your cat get hairballs?  
If yes, how frequently?

7) Does your cat adjust to new situations easily?

If not, what process do you use to make your cat feel more comfortable?

**Is there anything else you think we may need to know? Please leave any additional information below.**
