Colorado Gives Day

Tuesday, December 7th

This year has proven to be almost as challenging as 2020. Animal intake has drastically increased and adoptions have decreased, leading to extended stays and congestion in the shelter. As a result, we were forced to increase the amount of transfers out of the shelter.

Help us reach our goal of **\$30,000** and give a gift on **Colorado Gives Day, Tuesday, December 7th**. Your generous contributions allow LPCHS to continue to operate and personally tend to each animal that comes into our care.

Thank you for remembering the animals this year and for making an impact in a pet's life.
